

WHO WE ARE

The Federated Women's Institute of Ontario (FWIO) is a not-for-profit charitable organization with affiliates world-wide and committed to the education and empowerment of women. Founded in 1897 here in Ontario, the Women's Institute has an impressive list of accomplishments. Through lobbying for better laws at all levels of government, the Women's Institute is making real change for both rural and small town families. Women's Institute members are working at home and around the world through advocacy and education in support of women everywhere.

We make a difference,
everyday.
