Dear Ms. Smith:

Thank you very much for your letter on behalf of the Federated Women's Institutes of Ontario regarding the elementary and secondary school curriculum, and for sending the related enclosures. I appreciate your keeping me informed of your organization's views.

I want to assure you that the well-being of our students is of great importance to our government, and we believe that well-educated and healthy students are vital to the success of our province. We will continue working to ensure that young people are equipped with the appropriate tools, so that they are able to pursue the paths of their choosing and are prepared for the challenges ahead.

I note that you have also sent a copy of your correspondence to my colleague the Honourable Liz Sandals, Minister of Education. I trust that she will also give your concerns her consideration

Once again, thank you for sharing this information. Please accept my best wishes.

Sincerely,

A handwritten signature in black ink that reads "Kathleen Wynne".

Premier
