Ordinary to Extraordinary

The stories in this book document real life experiences of members of the Federated Women's Institutes of Ontario (FWIO), as a project to celebrate Canada's 150th birthday. 150 stories were selected out of the 350 submissions.

Ordinary to Extraordinary - 150 stories as unique as the women who lived them relates life from a woman's point of view. The stories range from a single incident to a full life story; from ordinary life to tragic events; from the horrific to the humorous. There are stories of living as a child in another country, immigration to Canada from various countries, growing up in Ontario, meeting the love of their life, and the struggles of life – fires, floods, and tornadoes. Some stories recount the role of the Women's Institute (WI) in their lives; their pride of accomplishments and support for their community.
