

## WI 125<sup>th</sup> ANNIVERSARY EVENT (2022)

### WISH (WI Scavenger Hunt)

#### TERMS/RULES

1. Each Scavenger Hunt Team will consist of 4 participants. **Branches can enter more than 1 team. However, each team must include at least 1 WI Member from their Branch and at least 1 non WI Member. WI Associate Members may participate as a WI team member of a Branch in their area.**
2. Each Team will select a Team Captain who will be the contact person for their Team. Contact email will be required for communication purposes.
3. Each team will create a Team Name for their group (5 extra points for the Team with the most creative name). A Zoom meeting will take place with Team Captains prior to the commencement of the Scavenger Hunt to review Terms/Rules & answer any questions anyone may have about the Hunt. See dates and times of meetings on Entry Form.
4. There will be a clue, each with an activity and a photo challenge provided in the following months in 2022 (February, April, June, August, October and November) for a total of 6 clues. Each clue/activity will be sent to the Team Captain via email **by Wednesday of the first week of the designated month**. Each clue/activity will also be available on the designated month, on the FWIO Website at [www.fwio.on.ca/wish](http://www.fwio.on.ca/wish).  
  
The clue/activity will also be published in the various WI Communications on their publish dates. Each clue/activity must be completed and received by 12:00 midnight on the last day of the designated month. For example, in February the deadline will be February 28, 2022, 12:00 midnight. **Photos and activity information received after the deadline will not be eligible for that month.**
5. The team captain or designated team member will snap a photo as instructed in each individual clue/activity and then send it along with their Story about the activity by the deadline. Go to the FWIO website at [www.fwio.on.ca/wish](http://www.fwio.on.ca/wish), then click HOW TO SUBMIT ENTRIES on the Scavenger Hunt menu for the instructions. There will be points allotted to each clue/activity/photo challenge. Some clues/activities will have more points than others depending on the complexity of the challenge and some will have additional points. So if a Team does not get one of the clues/activity within a deadline they can just keep going to the end of the Hunt because they may still get enough points overall to win.
6. The total possible score for the Scavenger Hunt is 125 points. The Team with the highest number of points at the end of the Hunt will win the Scavenger Hunt **and the grand prize for the 4 team members. Watch for the prize announcement coming soon. Decisions of the judges will be final.** The winning team will be announced in December 2022.
7. By completing the Entry Form, all Team Members are agreeing to grant FWIO permission to publish any submissions, including photos and names. Plans are to use some submissions for various FWIO promotional purposes such as, but not limited to, digital and printed WI communications, sharing at various WI events, WI conventions and inclusion in WI Tweedsmuir Books etc.
8. Team members cannot pay for any of the items gathered during the Hunt (except Clue/Activity #4).  
**Most Importantly...JUST HAVE FUN!**
